

Apricity's expansion on our existing Casa Clare site:

25,000
additional square feet at the renovated treatment location

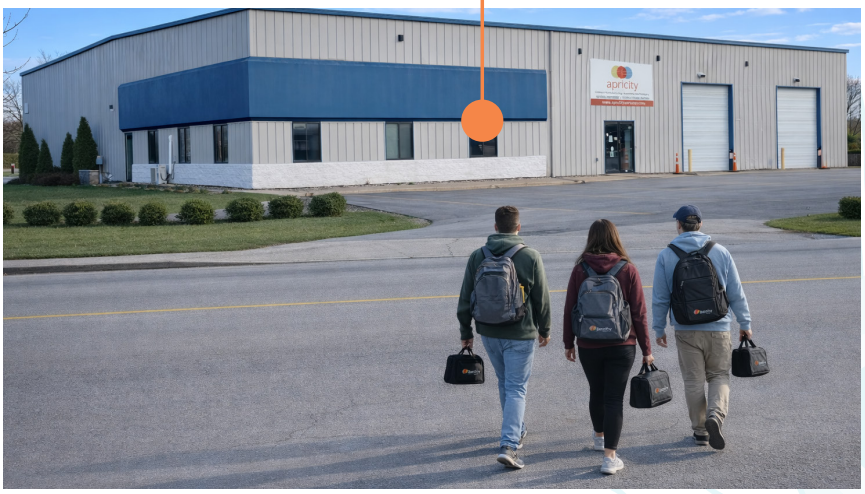

70
treatment beds, an increase from 39

1
unified campus for treatment, employment & recovery services

Apricity's Contract Packaging relocation (August 2025) within steps of residential treatment facility:

WALKABLE
allows treatment clients to walk to work at Contract Packaging and other recovery support services

60% SUCCESS
clients supported for one year on campus are 60% more likely to sustain long-term recovery
